URBAN ALLEY

Urban Alley Brewery was created on the doorstep of Melbourne's CBD, District Docklands, in 2018. Urban Ale, our first beer, was made to be a gateway from mainstream to craft beer. Combining traditional recipes with new flavours and twists, Urban Alley received over 20 awards since 2019. With our Slapshot receiving 3rd best Pale Ale in the world at World Beer Cup. Every drop of our beer comes from right here. Our on-site breweries mean the beer you drink couldn't be fresher, or more local.
